Target Audience

The intended audience for the meeting is care managers. Practice managers and billers are encouraged to participate in program update segment of the training.

Requirements for Successful Completion

- Attend the entire session, missing no more than 10 minutes
- Complete the post-meeting evaluation

Objectives

- Review program updates, resources, and data to support care management engagement
- Discuss identification and engagement of behavioral health patients in medical practice
- Review behavioral health services in the local school system
- Identify best practices to support coordinated care between BH specialists and PCPs
- Recognize the current literature on behavioral health care costs and patient barriers to care
- Identify treatment options that support native healing processes and health restoration
- Discuss the role of PC in motivating patients' engagement in health-promoting behaviors
- Review screening tools used to identify patients with behavioral health disorders
- Utilize motivational interviewing skills to engage patients with behavioral health disorders
- Identify area resources to support patients, including assistance with BH services
- Identify actions participants will take to improve BH outcomes for their patients

CONTINUING EDUCATION APPROVAL:

This activity has been submitted to the Wisconsin Nurses Association for approval to award contact hours. The Wisconsin Nurses Association is accredited as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

CONFLICTS OF INTEREST:

No one in control of content has any relevant financial relationships with ineligible companies.

*Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
