Objectives

- Review program updates, resources, and data to support care management engagement
- Review evidence-based guidelines related to HEDIS measures, including transitions of care
- Discuss techniques to identify and engage patients with high needs and share best practices to improve patient outcomes
- Identify area resources to support patient's non-medical needs

Target Audience

The intended audience for the meeting is Care Managers. Practice Managers and Billers are encouraged to participate in program update segment of the training.

Requirements for Successful Completion

- Attend the entire session, missing no more than 10 minutes
- Complete the post-meeting evaluation

CONTINUING EDUCATION APPROVAL:

This activity has been submitted to the Wisconsin Nurses Association for approval to award contact hours. The Wisconsin Nurses Association is accredited as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
